After taking advantage of grants, scholarships and government loans many families still have a “funding gap” that can be filled with a private student loan from NCFCU.

The benefits of this program are:

- No Origination Fees
- Extremely Competitive Rates
- Line of Credit Structure
- Trusted Lender Relationship
- Flexible Repayment Options
- Fully Automated Processing

New Cumberland Federal Credit Union

10 Summer Job Ideas

Babysitting - Many young children are home from school during the summer, a good opportunity to earn some cash.

Camp Counselor - Being a camp counselor can offer the chance to explore the wild while supervising and inspiring a group of youngsters.

Casual Dining - With all the fast food joints, pizza places, and juice bars, casual dining is a great place to find a summer job.

Elder Care - Considering a career in healthcare or social services? Working with older adults at a senior center or as a home health aide can be a great opportunity to get practical experience.

Government Summer Youth Programs - Looking for opportunities with the government? You should check out Studentjobs.gov

Movie Theater - Check out the local movie theater for work behind the concession counter, taking tickets or sweeping up popcorn.

Parks & Recreation - These jobs include working as life guards for the local pool or tour guides to provide community outreach and walking tours of local sites.

Pet & House Sitting - Walking the neighbor's dog, feeding the cat or fish during a family vacation, or watering the plants and picking up the mail even for a weekend, can earn you some cash.

Retail - Retail probably offers the largest range of jobs and opportunities, from cashier at a local clothing or accessory store to stock clerk at the food mart.

Seasonal & Tourist Attractions - Theme parks, water parks and similar venues have to beef up their staff for the usual summer excess of vacationers.

Yard Maintenance - What better way to spend the summer than out in the sunshine working on a tan. Pool cleaning, lawn care and landscaping are just a few ideas.
